Summary

Java Full Stack Developer with strong foundation in Spring Boot, REST APIs, and database-driven applications. Experienced in building scalable backend systems with validation, exception handling, and clean architecture. Seeking to contribute to enterprise-level development teams.

Work Experience

Ajinkya Surface Coating

Java Backend Developer (Freelance)

Pune

Aug 2025 – Nov 2025

- Developed backend services using Java 17, Spring Boot, REST APIs, and MySQL following layered architecture.
- Designed REST APIs and integrated JPA/Hibernate entities for efficient database management.

LTIMindtree

Graduate Engineer Trainee

Mumbai

Dec 2025 – Jan 2026

- Trained in Java programming, Spring Boot, SQL, and enterprise backend development practices.
- Worked on coding assignments using Collections Framework and SQL queries.

Projects

Order Management System

Java, Spring Boot, Hibernate, MySQL

- Built backend system for managing product orders using REST APIs and MySQL database integration.
- Implemented validation, exception handling, and layered architecture for scalable backend design.

Inventory and Challan Processing Platform

Java Spring Boot, Hibernate, MySQL

- Developed inventory and billing system implementing CRUD operations and database integration.
- Designed relational tables and integrated MySQL using JPA/Hibernate for efficient data handling.

Secure Task Management API

Java Spring Boot, MySQL, JWT, Pagination

- Developed secure REST APIs for task management using Spring Boot and MySQL.
- Implemented JWT authentication, pagination, and logging for efficient API performance.

Technical Skills

Languages: Java (OOP, Collections), JavaScript

Backend: Spring Boot, REST APIs, JWT Authentication

Mobile: Android (Basic)

Database: MySQL, JDBC, SQL

Data: Data Annotation, Data Processing Basics

Tools: Git, GitHub, Postman, Tableau

Concepts: OOP, DBMS, Data Structures, System Design (Basics)

Education

Sinhgad College of Engineering B.E. Information Technology

CGPA: 8.0 — 2025

Numavi Junior College HSC Science

Percentage 79 — 2021

Certifications

- Java Full Stack Training – LTIMindtree
- Introduction to Large Language Models – IBM
